EARTHWOOD EVOLUTIONS

TimberTech is entering into the capped composite decking category with its Earthwood Evolutions line. The industry's first fully capped plank, according to the maker, the deck board is backed by a 25-year fade and stain warranty and features proprietary HydroLock technology, which provides a durable, moisture-resistant surface. Earthwood Evolutions has a flat-grain surface that does not trap dirt in its graining pattern, as well as consistent, variegated color to achieve a true hardwood appearance.

Editors' Comments: TimberTech advances the capped-composite decking category with the first full-capped plank product.
