NOTE: Program funds accumulated during the current program year must be used by February 28, 2025. THEY WILL NOT ROLL OVER. Funds will expire after the February 28, 2025 deadline. Level will roll over for one year. Funds may be used at any time during the program year. Program date runs January 1, 2024 – December 31, 2024. Invoices need to be submitted by January 31, 2025. Invoices with December 2024 purchase dates can be held and uploaded after December 31 and still be counted toward your 2024 total – and the funds applied to 2024. Funds are awarded at the percentage rate communicated at each tier. Reach out to your Sales Rep with questions.

*The TimberTech Limited Replacement Labor Warranty may be transferred one (1) time, within the five (5) year period beginning from the date of original purchase by a qualified purchaser, to a subsequent buyer of the property upon which the product system was originally installed.

**The TimberTech Limited Replacement Labor Warranty applies to installations completed after November 1, 2018, and is only applicable and enforceable in the United States of America and Canada.

Qualified Product Systems may include the following individual products: 1) All TimberTech Advanced PVC Deck products; 2) All TimberTech Advanced PVC Porch products; 3) All TimberTech Composite Deck products that are capped on four sides (does not include TimberTech's Prime Collection, Prime+ Collection, Premier Collection, or ReliaBoard® decking); 4) All TimberTech Railing Systems – must be full system including balusters, posts, bottom rails, and top rails; 5) Fasteners including FUSIONLoc®, CONCEALoc®, TOPLoc®, SIDELoc™, and Cortex®. This Warranty does NOT cover fasteners manufactured or supplied by companies other than Manufacturer even though some of those products may display the logos, company, or product names of Manufacturer products.

Visit <https://www.timbertech.com/about-warranties/> for more information about TimberTech's limited warranties, including covered products and limitations.

- All colors available in standard width
- With a Class A Flame Spread Index rating and WUI compliance, it's a best choice for fire zones

FRENCH WHITE OAK® CASTLE GATE® AMERICAN WALNUT® BOARDWALK®

HARVEST COLLECTION® Refined Cathedral Grain

Embrace the soft, inviting versatility of attractive cathedral grain — with varying peaks and soft, solid colors that suit a range of styles.

- Slate Gray and Brownstone available in standard & wide widths
- Harvest MAX (1.5" thick) boards allow for a 24" on-center installation; available in Slate Gray
- Better choice for fire zones thanks to WUI compliance

SLATE GRAY BROWNSTONE KONA®

*Depending on environmental conditions, TimberTech Advanced PVC Deck colors may appear to change over time as part of the natural weathering process consistent with the warranty guarantees, where applicable.
**Although TimberTech PVC Decking is cooler to the touch than many other deck board products, all decking products will get hot in the sun. Additionally, the darker the decking color, the hotter it will feel. For hotter climates, consider choosing a lighter color.
