### 4-SIDED CAPPED COMPOSITE DECKING

Explore premium decking in bold, beautiful colors with exceptional cap protection. Boards in these collections are covered from top to bottom and in the grooves with advanced Mold Guard™ Technology to prevent moisture damage. Composed of up to 80% recycled material and offering color options ranging from solid to infinitely variable, the TimberTech PRO Decking line doesn't disappoint.

## Legacy Collection

Bring artisanal decking with a cascading, highly complex blend of natural-looking colors and a hand-scraped texture to your deck design.

## Reserve Collection

Inspired by reclaimed wood, the rustic wire-brushed finish highlights a classic cathedral wood grain and offers better scratch resistance than competitors.

## Terrain Collection

Tap into the earthy and elegant moderately variegated and monochromatic colors of the Terrain Collection for a timeless, rugged deck that'll complete your outdoor living space.

### 3-SIDED CAPPED COMPOSITE DECKING

Step up into the world of long-lasting, low-maintenance, capped composite decking. This attainable composite decking line allows homeowners to ditch the costly and laborious maintenance that comes with traditional wood for good! Plus, it's composed of up to 80% recycled materials, making it the sustainable option. With TimberTech EDGE Decking, backyards everywhere can venture into the world of composites that look good initially and for decades to come.

## Premier Collection

Design your ideal deck with these earthy and inspiring hues comprised of solid colors and a subtle, straight grain pattern on every board.
