## DECKING & RAILING

TimberTech AZEK® Decking

Discover the decking that is revolutionizing designer outdoor living spaces. Bring stylish sophistication and premium performance to backyards everywhere. Made from the most advanced material technology in both the cap and core, TimberTech® AZEK® Decking is the most resistant to the elements, stays cooler on sunny days, and offers up to 40% better slip resistance than competitors. With narrow, standard, and wide width boards available, designing a truly one-of-a-kind deck is easy.

Harvest Collection®

Tie in traditional, cathedral wood grain patterns and a soft, solid color palette when using boards from this dynamic TimberTech® AZEK® collection.

- Brownstone and Slate Gray available in wide widths
- Harvest MAX is a 1.5” thick board, that can be installed 24” on center. Available in Slate Gray.

SLATE GRAY

BROWNSTONE

KONA®

Although AZEK Deck products are cooler to the touch than many other deck board products, all decking products will get hot in the sun. Additionally, the darker the decking color, the hotter it will feel. For hotter climates, consider choosing a lighter color.

4-SIDED CAPPED COMPOSITE DECKING

TimberTech PRO® Decking

Explore premium decking in bold, beautiful colors with exceptional cap protection. Boards in these collections are covered from top to bottom and in the grooves with advanced Mold Guard™ Technology to prevent moisture damage. Composed of up to 80% recycled material and offering color options ranging from solid to infinitely variable, the TimberTech® PRO® Decking line doesn't disappoint.

Legacy Collection

Bring artisinal decking with a cascading, highly complex blend of natural-looking colors and a hand-scraped texture to your deck design.

Reserve Collection

Inspired by reclaimed wood, the rustic wire-brushed finish highlights a classic cathedral wood grain and offers better scratch resistance than competitors.

Terrain Collection®

Tap into the earthy and elegant moderately variegated and monochromatic colors of the Terrain Collection for a timeless, rugged deck that'll complete your outdoor living space.

3-SIDED CAPPED COMPOSITE DECKING

TimberTech EDGE® Decking

Step up into the world of long-lasting, low-maintenance, capped composite decking. This attainable composite decking line allows homeowners to ditch the costly and laborious maintenance that comes with traditional wood for good! Plus, it's composed of up to 80% recycled materials, making it the sustainable option. With TimberTech® EDGE® Decking, backyards everywhere can venture into the world of composites that look good initially and for decades to come.

Prime+ Collection®

Browse this selection of simply beautiful decking with a subtle blend of colors and a stunning straight grain pattern.

Prime Collection®

Design your ideal deck with these earthy and inspiring hues comprised of solid colors and a subtle, straight grain pattern on every board.
