

NEW Vertical Cable Option

MODERN. STRONG. FUNCTIONAL.

Lean into a minimalist railing profile with this pre-assembled, aluminum panel that keeps sightlines clear and install time short. Sleek, strong, and minimalist, this railing profile features hidden fasteners that fits seamlessly into any yard. The popular panel system now has the option for Vertical Cable Rail. The perfect choice to enhance the stunning view of any outdoor living space as it provides minimal sightline intrusion.

HOW TO ORDER THE VERTICAL CABLE RAIL SYSTEM:

- For use with Classic, Drink Rail, and Modern top rail options
- Stainless-steel cables with no exposed hardware
- Three rigid stainless-steel balusters per 6' section
- Available in 36" and 42" rail heights, 6' or 8' section lengths (with 3" posts, measured on center)
- Fast and easy installation, very similar to standard panel
- Easy access to individual tensioning devices from above with simple hex wrench
- Ships with cables fitted, low profile box: 3.25" x 2.25" x kit length" (6' length [74.375"], 8' length [94.375"])
- System designed for use with residential applications only
