

Landmark Collection[™]

CAPPED POLYMER DECKING

Discover the refined charm of a crosscut finish in three unique, bold colors boasting a dramatic, cascading visual.

- Inspired by the in-demand look of weathered, reclaimed wood
- Offers a unique crosscut texture and matte finish
- Each color features a cascading range of sophisticated highlights and lowlights which result in natural board-to-board color variation and a covered bottom for a finished look
- Available in standard width and thickness
- Collated Cortex[®] Fasteners available in French White Oak[™]

Prime+ Collection[®]

CAPPED COMPOSITE DECKING

Explore beautifully vivid colors with moderately varied hues and subtle, straight grain pattern creating an authentic wood visual.

- Step up into long-lasting beauty with a natural wood look
- Features a straight wood grain pattern
- Elegantly blended colors
- All colors available in standard width and thickness in a scalloped profile

EDGELoc™ Hidden Fastener

HIDDEN FASTENING
