

Composite Railing

High Performance & Design Versatility

Premier Railing®
with Composite White Balusters

DEPENDABLE & STYLISH

Made from a mix of recycled wood and plastic fibers, our composite railing boasts superior durability to wood while being extremely low maintenance. Plus, with stylish railing options from traditional milled-wood-inspired looks to sleek, contemporary designs, you'll find the right look for every home.

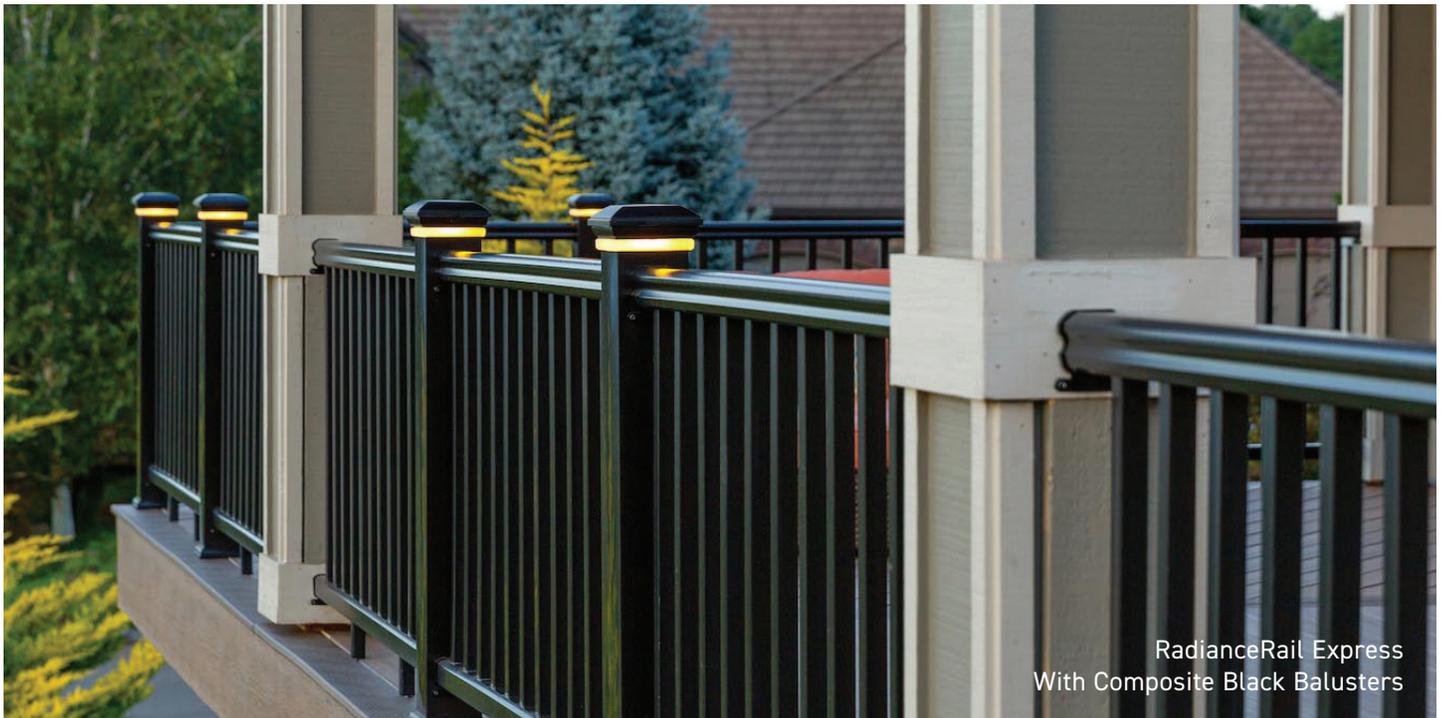

- 4-sided polymer cap covers the backside, grooves, and composite core
- 25-Year Limited Product Warranty with the three Premium Matte colors (Classic Composite Series only) boasting a new 25-Year Fade & Stain Warranty
- Extremely durable and low maintenance
- Unbeatable resistance to mold and mildew keeps railings from rotting, splintering, cracking, or warping
- Advanced resistance to scratches, stains, and insects

Composite Railing

High Performance & Design Versatility

RadianceRail Express
With Composite Black Balusters

CLASSIC COMPOSITE SERIES

With several top rails and a universal bottom rail, the Classic Composite Series offers the most customization options, making mixing and matching components a breeze. Homeowners can choose from four different infill options as well as five colors, including Premium Matte colors, to design their ideal railing. Plus, these Premium Matte colors are covered by one of the industry's only 25-Year Fade & Stain Limited Warranties for peace of mind.
