

## SLEEK DESIGNS AND CLEAR SIGHTLINES

Our durable, stylish metal railing portfolio delivers on both aesthetics and safety for peace of mind and design satisfaction. Clients can choose from profiles ranging from traditional wrought iron-inspired designs to modern, minimalist options.

- Aluminum railing with a powder-coat finish
- 25-Year Limited Product Warranty
- Resists corrosion in moisture-rich environments
- Hidden fasteners for an uninterrupted connection to the post
- Extremely durable and low maintenance
- Premium resistance to scratches and stains
- Meets the latest code compliance standards for residential and commercial applications

## IMPRESSION RAIL EXPRESS

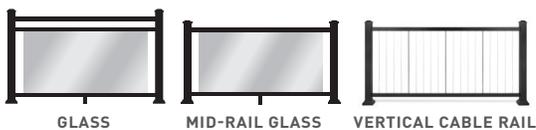

Featuring three attractive top rail designs and three infill options, Impression Rail Express offers lots of design versatility. Plus, with its pre-assembled, panelized design, this railing is simple and straightforward to install.

NOTE: Panel kits no longer come with a top rail included; they must be ordered separately.
