

## PREMIUM AESTHETICS & PERFORMANCE

Made from extruded PVC and reinforced with an aluminum core, our PVC railing delivers super high performance with attractive, milled-wood-inspired designs.

- Superior durability: 100% cellular PVC with aluminum reinforcement
- Quality components: Stainless steel hardware to resist corrosion & “bleeding” of fasteners over time
- Best moisture resistance: Won’t crack, chip, rot, swell, or split
- Lightweight for easier handling
- Paintable for a custom look, but not required
- Elevated design potential: Crisp corners & tight, clean lines
