**TimberTech®**

# #1 IN PREMIUM DECKING

With the highest quality decking and railing, plus outstanding service,  
TimberTech is the go-to choice for contractors and homeowners.

## Unrivaled real wood looks

The most convincing aesthetics with more colors and textures than any other brand

## Proprietary technology

Industry-leading tech for a cooler touch  
and top-rated fire resistance

## Sustainably made

With up to 85% recycled materials,  
our decking is more sustainable than wood

# Inspired by nature, born from technology

Our proprietary technology creates authentic wood looks you won't find anywhere else.  
With more than 30 real wood colors and textures, the possibilities for your outdoor space are endless.

## Natural color blending

### SOLID

Monochromatic color for a stained or painted wood look.

### BLENDED

Subtle color variation for a classic wood look.

### HIGHLY BLENDED

Varied coloring with highlights and lowlights for a premium hardwood look.

### UNIQUE BLENDING

Cascading, multitoneal color blending for a highly varied, reclaimed wood look.

## Real wood grains & textured finishes

STRAIGHT GRAIN

A linear grain without knots, for a simple, modern wood look.

A textured finish, ideal for unique, artisan-inspired wood looks.

HAND-SCRAPED FINISH

CROSSCUT GRAIN

Texture runs perpendicular to the grain for a reclaimed wood look.

A subtle, textured finish often used for premium hardwoods.

WIRE-BRUSHED FINISH

CATHEDRAL GRAIN

Varying peaks for the soft look of quartersawn wood.

Vintage Collection® in Multiwidth Weathered Teak®  
\*All printed samples are carefully reproduced to be as close to the actual sample as possible. Actual colors may vary due to printing limitations.

RICH  
WOODLAND  
TONES

Create an inviting look with browns ranging from deep woodland tones to golden, amber hues. These browns work for a variety of styles — from traditional to rustic to modern.

# Our goal is to use 1 billion pounds of recycled material annually

It's part of the way we and The AZEK Company are creating a lasting impact on the world. Each year, we take hundreds of millions of pounds of what could otherwise be landfill- and ocean-bound wood and plastic waste, scrap and trash, like grocery bags, milk jugs, old vinyl siding, PVC pipe, and construction waste, and turn it into TimberTech outdoor living products.

2.1B LBS

of waste and scrap incorporated into our products since 2019

4M+ TREES

saved since 2001 by homeowners choosing us over wood

1,200+ BINS

Our AZEK Full-Circle Recycling® bins are located at build sites across the U.S., collecting and repurposing post-construction and post-industrial PVC scrap

“I wanted a sustainable option, and that made TimberTech the obvious choice.

Paddi | Ventura, CA  
TimberTech Homeowner

## MORE SUSTAINABLE THAN WOOD

TimberTech has fewer lifecycle carbon emissions\*

LEARN MORE

\*According to life cycle assessment studies commissioned by The AZEK Company, independently performed by Sphera and ACV Brasil, combined with company estimates assuming 60% recycled material in TimberTech Advanced PVC decking.

## The beauty of wood without the upkeep

Enjoy your favorite wood looks without the worry of splinters, fading, and rotting. TimberTech Decking is made sustainably in the USA and features unbeatable performance backed by industry-leading warranties — for peace of mind and a worry-free deck.

I always say if people are gluttons for punishment, wood is a great option.

**Pace B. | Petaluma, CA**  
Owner, General Contractor of Diamond Home Restoration

## ANATOMY OF A DECK

Before you design your dream deck, get familiar with every element.

Our most realistic wood looks  
with unparalleled performance

#### BEST CHOICE FOR FIRE ZONES

Unlike many wood and composite decking options, our Advanced PVC boards feature an Ignition Resistant designation, Class A Flame Spread Rating, and/or WUI Compliance.

#### SUSTAINABLE: THE GREENEST PVC DECKING ON THE MARKET

Made in the USA from up to 60% recycled material, including post-construction scrap like vinyl siding and trim, our Advanced PVC Decking is the greenest PVC option on the market. Plus, it's fully recyclable at the end of its useful life through our FULL-CIRCLE Recycling® Program.

#### SUPER DURABLE

Made of high-performance and recycled polymers (and no wood fibers), it's highly resistant to moisture damage like mold and mildew, and it won't splinter, crack, peel, or rot.

#### LOW MAINTENANCE

Forget sanding, staining, or sealing your deck. An occasional scrub and rinse are all that's needed.

#### FADE & STAIN RESISTANT

Enjoy a richly hued deck for decades with protective capping that resists UV rays and staining.\*

#### COOL TOUCH TECHNOLOGY

Boards stay up to 30° cooler than the competition.\*\*

#### FRIENDLIER TO BARE FEET

Better for bare feet and paws, it's splinter free and features up to 40% better traction than competitive products.

#### INDUSTRY-LEADING WARRANTIES

Your investment is protected by a 50-Year Fade & Stain Limited Warranty and Limited Lifetime Product Warranty.

#### DESIGN VERSATILITY

With Multiwidth Decking and heat-bending capabilities delivering curved boards, our Advanced PVC Decking allows you to create a truly unique design.

We looked at the TimberTech  
and I was like ... wow, this is real wood!

# MULTIWIDTH DECKING

Customize Your Deck Design

Vintage Collection® in Multiwidth Dark Hickory

Create a look all your own with Multiwidth Decking options exclusive to TimberTech. With narrow-, standard-, and wide-width options, TimberTech gives you the flexibility to design your deck your way. See page 38 for width availability by color.

# PORCH COLLECTION

Hardwoods & Stained Wood

Porch Collection in English Walnut®, Classic Composite Series in White with Premier Rail

Bring all the beauty and performance benefits of TimberTech Advanced PVC Decking to the porch. Our innovative tongue-and-groove installation allows for smaller gaps between boards for a traditional porch flooring look.

- Standard (3.125") available in all colors
- Wide-width (5.5") available in Coastline, Cypress, Dark Hickory, English Walnut, Mahogany, and Weathered Teak
- With WUI Compliance, it's a smart choice for fire zones
- Also available in cladding; see details at [timbertech.com/cladding](https://timbertech.com/cladding)

\*Fascia not available in Oyster®

Composite in a class of its own,  
with unmatched wood looks

Reserve Collection in Reclaimed Chestnut™

Depending on environmental conditions, TimberTech Composite decking colors may appear to change over time as part of the natural weathering process consistent with the warranty guarantees where applicable. \*\*The proprietary capping on the Prime+, Prime, and Premier Collections do not feature Mold Guard Technology. \*\*\*Timbertech Prime+, Prime, and Premier Collections are covered by a 25-Year Limited Product Warranty and a 25-Year Fade & Stain Limited Warranty.

#### DURABLE

Made of a mix of high-performance and recycled polymers and reclaimed wood fibers, our Composite Decking is made to last and won't split, splinter, or rot.

#### LOW MAINTENANCE

Forget sanding, staining, or sealing your deck. An occasional scrub and rinse are all that's needed.

#### FADE & STAIN RESISTANT

Enjoy a richly hued protective capping that resists UV rays and staining.\*

#### MOISTURE RESISTANT

With a protective polymer cap with no wood fibers, our boards are protected from moisture damage like mold, mildew, and rot.\*\*

#### WARRANTY PROTECTION

Rest easy knowing your investment is protected by 30- and 25-Year Limited Warranties that vary by collection.\*\*\*

#### SUSTAINABLE

Made in the USA from approximately 85% recycled material including reclaimed and recycled wood, plastic bags and jugs, and other discarded plastics for an eco-friendly choice.

#### REAL WOOD BEAUTY

TimberTech Composite Decking offers unmatched wood looks, with more than 20 realistic wood styles, colors, and textures.

COMPOSITE

LEGACY COLLECTION

Hand-Scraped Finish

Choose this collection for an artisanal, craftsman-inspired aesthetic that features cascading hues and a textured, hand-scraped finish.

- Complex, multitonal coloring that cascades through each board
- Variable grain pattern for unique board-to-board variation
- Four-sided proprietary polymer cap (even in the grooves) made with zero wood fibers for superior sun and moisture resistance

“

TimberTech has been a game changer for us and how much more we'll use our outdoor space.

Jason & Kelly L. | Littleton, CO  
TimberTech Homeowners

Legacy Collection in Tigerwood

COMPOSITE

RESERVE COLLECTION

Reclaimed Wood

Reserve Collection in Antique Leather®, Classic Composite Series in Black with Drink Rail

Capture the character-rich look and feel of reclaimed wood with bold, multitoneal colors and rustic cathedral grain.

- Advanced color blending with a mix of vibrant hues
- Four-sided, proprietary polymer cap (even in the grooves) made with zero wood fibers for superior sun and moisture resistance
- Square-shouldered WUI-Compliant boards available via special order

COMPOSITE

TERRAIN+ COLLECTION™

Subtle Wood Grain

Terrain+ Collection in Weathered Oak, Impression Rail Express® in Black with Modern Top Rail

With new and improved color blending technology, these boards deliver sophisticated colors with a subtle grain pattern like sanded white oak and walnut for a versatile, natural wood look.

- Curated palette of cascading colors with low-gloss matte finishes that can be used in mixed-color patterns
- Four-sided, proprietary polymer cap (even in the grooves) made with zero wood fibers for superior sun and moisture resistance
- Covered by 30-Year Limited Product and Fade & Stain Warranties

COMPOSITE

TERRAIN COLLECTION®

Rugged Cathedral Grain

Terrain Collection in Silver Maple

Capture a timeless, traditional wood look with the Terrain Collection. With subtle color variation and a textured grain, these boards deliver an attractive look for your outdoor oasis.

- Embossed finish for a complex texture that hides everyday wear and tear
- Four-sided, proprietary polymer cap (even in the grooves) made with zero wood fibers for superior sun and moisture resistance
- Standard width with a slimmer profile — so it's easier to handle without compromising durability
- Covered by 30-Year Limited Product and Fade & Stain Warranties

COMPOSITE

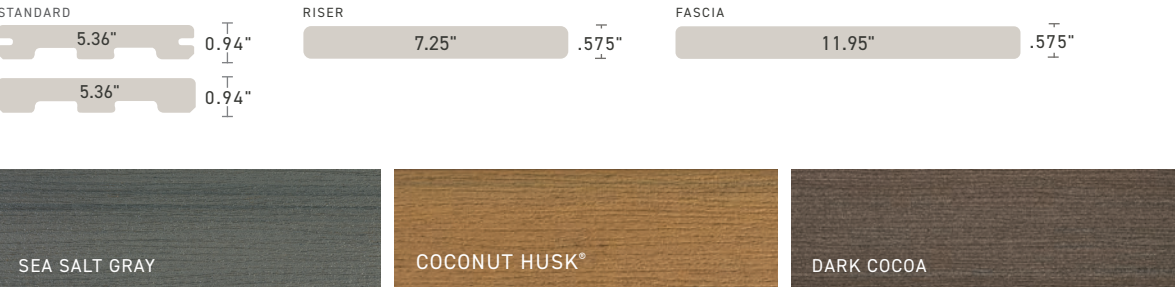

PRIME+ COLLECTION®

Timeless Wood Grain

Choose this collection for a classic wood aesthetic with natural, inviting colors and a textured straight grain pattern.

- Moderately color blended
- Scalloped profile
- Three-sided capping for excellent moisture resistance
- Available in standard width and thickness
- Covered by 25-Year Limited Product and Fade & Stain Warranties

COMPOSITE

PRIME COLLECTION®

Painted Wood

For an opaque stained or painted wood look, opt for the Prime Collection, which features earthy, vivid wood stain colors. Featuring the same colors as the Premier Collection, but with a scalloped board for a lighter weight, without compromising a secure underfoot feel.

- A subtle straight grain pattern
- Three-sided capping for excellent moisture resistance
- Available in standard width and thickness, with a scalloped profile
- Covered by 25-Year Limited Product and Fade & Stain Warranties

\*Availability of the Premier Collection varies by region. Call 877-275-2935 for more information.

COMPOSITE

PREMIER COLLECTION®

Painted Wood

The Premier Collection features the same opaque stained or painted wood look of the Prime Collection, but with a full-profile board.

- A subtle straight grain pattern
- Premier square profile boards feature WUI Compliance for a better choice for fire zones
- Three-sided capping for excellent moisture resistance
- Available in standard width and thickness, with a full-profile board
- Covered by 25-Year Limited Product and Fade & Stain Warranties

# TimberTech Advanced PVC has top - rated fire resistance

No other decking matches the beauty or performance of our **Vintage and Landmark Collections** and features an Ignition Resistant designation, Class A Flame Spread Rating and WUI Compliance.

## Ignition Resistant

Ignition-resistant decking is less likely to catch fire compared to traditional and composite decking materials.

## Class A Flame Spread Rating

A Class A Flame Spread Rating indicates superior fire resistance, meaning the material is highly effective at inhibiting flame spread.

## WUI Compliant

Wildland Urban Interface Compliant materials resist flame spread and catching fire due to flying embers.

\*Although TimberTech Advanced PVC decking is cooler to the touch than many other composite deck board products, all decking products will get hot in the sun. Additionally, the darker the decking color, the hotter it will feel. For hotter climates, consider choosing a lighter color.

All printed samples are carefully reproduced to be as close to the actual sample as possible. Actual colors may vary due to printing limitations.

The best foundation  
for a long-lasting deck

## ALUMINUM FRAMING New

The substructure of a deck is crucial for its stability and longevity. If the framing is compromised, even the highest quality decking can become uneven, unattractive, and potentially unsafe. A TimberTech Aluminum Frame means a beautiful flat deck with superior performance for years to come.

### Built to last

Engineered for superior performance, our framing is highly resistant to moisture damage like rust, corrosion, or mold. We confidently offer a Lifetime Limited Warranty on all major components and warrant fasteners and accessories for 25 years.\*

### Fire Resistant

Fire resistance is crucial, especially in wildfire-prone areas. Made from inherently non-combustible aluminum, our framing comes with a Class A Flame Spread Rating, the best available. This means that it is unlikely to contribute to aggressive flame spread.

### Easy to install

Aluminum Framing results in a near-perfectly flat surface that will look great for the life of your deck. TimberTech's smart, intuitive design boosts productivity by using fewer fasteners and needing less on-site fabrication.

### Strong

The strength of a TimberTech 2x8 aluminum joist is similar to the strength of a 2x12 wood joist, opening up your design to longer spans, fewer posts, and cantilevered overhangs.

### Code Compliant

TimberTech Aluminum Framing has been rigorously tested and meets the requirements of the International Residential Code (IRC).

### Sustainable

Wood is a single use product. Aluminum is made from recycled aluminum and can be recycled at the end of the project.

See warranty details at [www.TimberTech.com/about-warranties](http://www.TimberTech.com/about-warranties)

**GET THE PERFECT FIT FOR A BETTER BUILD**  
TimberTech Fasteners are uniquely designed to work with TimberTech Decking.  
For the best possible installation, don't settle for anything less.

**HIDDEN FASTENERS FOR GROOVED BOARDS**

**CONCEALoc®**  
With matte brown clips installed in between grooved boards for a hidden appearance, CONCEALoc® can be installed pneumatically with the FastenMaster TigerClaw Gun or manually using a drill. Designed exclusively for our grooved deck boards.

**EDGELoc®**  
Designed exclusively for TimberTech Prime+, Prime, and Premier grooved boards, EDGELoc's nylon 12-clip collated strips and pre-set stainless steel screws make installation and create a 7/32" gap for a uniform appearance.  
*For use with Prime+®, Prime, and Premier grooved boards only*

**HIDDEN FASTENERS FOR SQUARE SHOULDER BOARDS**

**CORTEX® FOR ADVANCED PVC**  
**CORTEX® FOR COMPOSITE**

**CORTEX®**  
Top-down system with material-matched plugs made of the same decking as the surface boards. The high-quality, ACQ-approved, specialty deck screws have a Torx® ttap® drive system and can be used on stairs and perimeter boards. Collated plugs now available for all decking colors\*.

*\*Not for use with Prime+, Prime, or Terrain collections.*

**CORTEX® COLLATED SCREWS** New  
For a more comfortable installation from the standing position, Cortex Screws can now be installed through the FastenMaster PAMFast™ Tool. With its smooth, consistent drive, PAMFast fastening technology prevents jams and dramatically reduces installation time.  
*PAMFast Tool sold separately.*

**SIDELoc™**  
Designed exclusively for TimberTech Advanced PVC square-shoulder boards, this system features screws installed at an angle through the side of the board and into the joist for a secure hold. Use the SIDELoc™ guide for consistent 1/8" board spacing.  
*Not for use with TimberTech Composite Decking.*

**TIMBERTECH® PRO-TAC™ FLASHING & JOIST TAPE**  
Helps extend the life of decking substructures by resisting water penetration and protecting the lumber substructure from rot.

**COLOR-MATCHED FASTENERS FOR ALL DECK BOARDS**

**TOPLoc® FOR ADVANCED PVC**

**TOPLoc® FOR COMPOSITE DECKING**

**TOPLoc®**  
Top-down, color-matched decking fasteners that blend in with your deck boards, fascia, and riser boards. Available for both TimberTech Advanced PVC and Composite boards.

**DETAILS MAKE THE DIFFERENCE**  
From safety features to finishing touches, these extras help make your deck a space you'll love for decades.

**RISER BOARDS**  
Available for all TimberTech Advanced PVC and Composite collections. Advanced PVC Riser Boards can be used with Cortex plugs.

**FASCIA BOARDS**  
Available in all TimberTech Advanced PVC and Composite Decking colors or White AZEK® Trim Boards.

**DRYSPACE™ WATER MANAGEMENT SYSTEM**  
Make better use of the area under your deck with our under-deck water management system. Made of solid extruded vinyl for durability and weather resistance.

**TIMBERTECH® DECK CLEANER™**  
Approved specifically for all TimberTech capped decking and railing, as well as trim and moulding. The concentrated biodegradable formula removes seasonal debris, everyday spills, and stubborn spots.  
*Not intended for use on wood or uncapped composite decking.*

**ADA HANDRAIL SYSTEM**  
Make your perimeters and stairways safer and more accessible with an ADA-compliant handrail. Available in both composite and aluminum.

**SECURE-MOUNT POST**  
Allows railing installations without a wood post.

**CLASSIC COMPOSITE SERIES GATE KIT**  
Close off stairs from pets or small children (not appropriate for weight-bearing applications). Available in 36" height only.  
*PVC Gate Kit also available; see TimberTech.com*

**IMPRESSION RAIL EXPRESS® GATE KIT**  
An aluminum rail gate kit used for 36" or 42" rail heights.

Premium railing backed by  
industry-leading warranties

Vintage Collection® in Coastline,  
Classic Composite Series in White with Drink Rail

#### DURABLE

Made from high-quality materials that stand the test of time, including premium composite, extruded PVC, powder-coated aluminum, galvanized steel, and high-grade vinyl.

#### LOW MAINTENANCE

Never sand, stain, or seal your railing again. A simple cleaning with the appropriate cleaner and quick rinse are all that's needed.

#### DIVERSIFIED PORTFOLIO

Our diverse railing portfolio delivers stylish options at multiple price points, from entry level to premium, to suit every style.

#### DESIGN VERSATILITY

Create a look all your own with multiple customization options from top rails to infills to colors and more.

#### BEST WARRANTIES

Our railings are protected by up to a 25-Year Limited Product Warranty\*, and the composite Premium Matte colors also feature industry-leading 25-Year Fade & Stain Limited Warranties.

#### ECO-FRIENDLY

Made to be strong and stable, with the composite railing being made from up to 50% recycled material.

\*Fulton Rail is covered by a 15-Year Limited Product Warranty. Reliance Rail is currently undergoing warranty testing. Warranty information will be available at launch.

“

Our deck looks so much more inviting  
than I could ever imagine because  
of the railing style.

Mary Kate M. | Larchmont, NY  
TimberTech Homeowner

Vintage Collection® in French White Oak,  
Classic Composite Series in Matte Espresso  
with RadianceRail® Top Rail

# DISCOVER YOUR RAIL STYLE

Deck designs might start with the boards, but railing defines the overall look. Learn the railing lingo, and explore style options before customizing your look.

**INFILL**  
Material in between the top and bottom rail

**TOP RAIL**  
Top horizontal piece in between posts that connects to the infill

**POST CAP**  
Finishes the look and can be updated to include lighting

**POST SKIRT**  
Creates a seamless connection between the posts and decking

**BOTTOM RAIL**  
Piece that spans the bottom length of railing and supports the infill

**POST SLEEVE**  
An attractive cover for wood posts to protect them from the elements

Vintage Collection® in Coastline®, Classic Composite Series with Premier Top Rail

## TIMELESS & TRADITIONAL

With its classic beauty, traditional railing adds a stately look to your home that never goes out of style.

Choose a shapely top rail and decorative cap

SEE THE PREFINISHED DIFFERENCE

## ENGINEERED TO LAST, BEAUTIFULLY

Give your home a fresh new look with AZEK Exteriors. From PVC Trim and Moulding for beautiful detailing to Column Wraps for an inviting entryway, these high-performance, high-style products can transform your home's curb appeal.

### AZEK TRIM & MOULDING

AZEK White Trim

Engineered with advanced materials science, our PVC Trim and Moulding delivers exceptional durability and performance, while giving your home a crisp, clean look. And the best part? It's extremely low maintenance. Choose from white trim or ready-to-paint trim designed with PaintPro® Technology for improved paintability — and absolutely no sanding or priming.

### AZEK COLUMN WRAPS

Porch Collection in Weathered Teak®, AZEK® White Trim Boards as Fascia and Risers, AZEK White One-Piece Column Wraps

Raise your curb appeal with attractive AZEK Column Wraps that come in either straight or tapered designs. Easy to install around existing wood columns, AZEK Column Wraps are a simple way to spruce up your porch and entryway.

LEARN MORE

## THE BEST SUBSTRATE FOR PAINT

The products below feature ready-to-paint PaintPro Technology. PaintPro creates a superior bond with paint for improved coverage without the need for any special prep and helps ensure longer-lasting curb appeal. With the revolutionary power of PaintPro Technology for exterior trim and siding, there's no need for frequent maintenance and expensive repainting.

### PAINTPRO® TECHNOLOGY

#### TRIM AND SHEET

Versatile AZEK Sheet is useful for milled panels and large areas. Combined with extensive trim profiles, your projects are limitless. Also in Classic White.

#### SIDING

Bevel's sanded cedar look is so authentic it replaces rotted wood siding seamlessly. Shingle provides the natural, craftsman look of cedar shingles without the maintenance.

#### BOARD AND BATTEN

Also available in Classic White, Board and Batten offers design flexibility both in batten width and spacing plus a range of color choices.

### PREFINISHED SIDING AND TRIM

Prefinished siding and trim available regionally.

Starting with trim and siding enhanced with PaintPro, our regional prefinishers factory-paint your order with top-quality, solar reflective paints in a range of shades, including some custom colors. It's labor-saving, convenient, and a finish that's better than anything painted in the field.

NEW

# AZEK ALPINE COLLECTION

## WEATHER-READY, FINISHED WOOD LOOK

Turn up the beauty and turn off maintenance worries with AZEK Alpine in ceilings, soffits, porches, gazebos, accent walls, and more. Combining low-maintenance polymer materials with a final layer of realistic, warm woodgrain finishes, Alpine handles the outdoors effortlessly with a stained wood look that never needs refinishing.

### NICKEL GAP WP4

Nickel Gap WP4 Harbor Ash

Nickel Gap delivers the modern, wide-plank look to your project. The WP4 profile enables hidden fasteners, whether arranged horizontally, vertically, or angled. Available in 18'.

### BEADBOARD

Beadboard Mission Oak

AZEK Alpine Beadboard provides a traditional, rustic farmhouse look with center bead and v-groove. Consistent interlocking design means tight joints and easy installation. Available in 18'.

## SUPERIOR MATERIALS DELIVER PREMIUM PERFORMANCE

Made of high-performance polymer material, TimberTech Cladding delivers the real wood looks you love without the maintenance. Plus, with colors and textures matching TimberTech Decking and Porch Collections, you can create a unified aesthetic across your home and outdoor living space.

Cladding in Coastline®

*TimberTech Cladding is made from the same material as our proprietary TimberTech Advanced PVC Decking. See page 18 for the performance benefits.*

## STYLISH, SMART OUTDOOR UPGRADES

Cabana X<sup>®</sup> delivers smart, customizable outdoor spaces that remain protected from the elements. And with the innovative Cabana X MOD extensions, you can expand a covered space with ease.
